

Laboratory Charges (2024)

Service	Unit	Charge* DKK	Comment
Start-up fee		500	
Histology processing of fixed tissue			
Preparation and packing for embedding	Tissue	20.00	.
Preparation and packing for embedding – complex	Tissue	30.00	Trimming and/or several tissues in one cassette
Preparation	Tissue	15.00	
Biopsafe formalin 20 ml	Item	25.00	
Decalcification (routine)	Tissue	15.00	
Decalcification (EDTA, for IHC)	Tissue	70.00	
Embedding - simple	Tissue	40.00	One tissue and no specific
Embedding - complex	Tissue	80.00	Specific orientation or several tissues in one cassette
Sectioning (regular glass)	Slide	20.00	
Sectioning (for IHC - Plus glass)	Slide	25.00	
Additional fee: >2 sect. pr. glass / level sectioning etc.	Slide	30.00	

Staining			
HE	Slide	30.00	
PAS, Sirius Red	Slide	50.00	
Other special stains	Slide	80.00	

Immunohistochemistry (IHC)			
Routine protocol (DAB) ⁽¹⁾	Section	100.00	Includes a positive control slide
Fluorescence routine protocol (FL)	Section	120.00	Includes a positive control slide
Double fluorescence routine protocol	Section	200.00	Includes a positive control slide
Pre-tested primary antibody (testet in our lab)	Antibody	2500.00	Does not include antibody or staining of samples
Set up for new antibody (DAB/FL) ⁽²⁾	Antibody	4000.00	Set up does not include antibody or staining of samples

Slide boxes, racks etc.	Item	150.00	
Consultancy	Pr. hour	475	

***Charges: Listed prices are for SUND. For external institutions it will be x 1,5 and for companies x 2**

For cases which need extensive, specific interpretation involving pathologists, , which are not part of collaborative work, additional consultancy charges will apply (475DKK/€50/hour).

⁽¹⁾ When applying anti-bodies pre-tested in our laboratory, we can always guarantee positive results on our own positive control tissue.

For information about current pre-tested antibodies, please write Histolab: histolab@sund.ku.dk

⁽²⁾ We take no responsibility for new antibodies that we test; full charge will apply even if we don't obtain expected results.

Please contact HISTOLAB prior to submission: histolab@sund.ku.dk

[Click here to fill in the submission form](#) and email it together with an Excel sheet with sample info.
