

## BMI - Histolab

### Laboratory Charges (2026)

Service	Unit	Charge* DKK	Comment
Start up fee		1000	
<b>Histology processing of fixed tissue</b>			
Preparation and packing for embedding	Tissue	25.00	.
Preparation and packing for embedding – complex	Tissue	35.00	trimming and/or several tissues in one cassette
Preparation	Tissue	20.00	
Biopsafe formalin 20ml	Item	25.00	
Decalcification (routine)	Tissue	15.00	
Decalcification (EDTA, for IH)	Tissue	70.00	
Embedding - simple	Tissue	40.00	one tissue and no specific
Embedding - complex	Tissue	80.00	specific orientation or several tissues in one
Sectioning (regular glass)	Slide	20.00	
Sectioning (for IH - Plus glass)	Slide	25.00	
Additional fee: >2 sect. pr. glass / level sectioning etc.	Slide	30.00	
<b>Staining</b>			
HE	Slide	30.00	
PAS, Sirius Red	Slide	50.00	
Other special stains	Slide	80.00	
<b>Immunohistochemistry (IHC)</b>			
Routine protocol (DAB) <sup>(1)</sup>	Section	110.00	Includes a positive control
Fluorescence routine protocol (FL)	Section	120.00	Includes a positive control slide
Double fluorescence routine protocol	Section	200.00	Includes a positive control
Pre-tested primary antibody (tested in our lab)	Antibody	2500.00	Does not include antibody or staining of samples
Set up for new antibody (DAB/FL) <sup>(2)</sup>	Antibody	4000.00	Set up does not include antibody or staining of
<b>Slide boxes, racks etc.</b>	Item	150.00	

**\*Charges: Listed prices are for BMI. For other institutes at SUND and other external it will be x 1,5 and for commercial x 2**

<sup>(1)</sup> When testing on pre-tested antibodies, we can guaranty positive results on our own positive control tissue. For information/request about current pre-tested antibodies, please write [histolab@sund.ku.dk](mailto:histolab@sund.ku.dk)

<sup>(2)</sup> We take no responsibility for new antibodies that we test, Full charge will apply even if we don't get expected results.

Please contact HISTOLAB prior to submission: [histolab@sund.ku.dk](mailto:histolab@sund.ku.dk)
